

If your DREAM is bigger than your job, you MUST experience this book!

Delatorro McNeal wants to help you move from “working to pay bills” to a life of significance, meaning, and excitement; a life of hope and expectation. Through the interactive questions and activities, motivating quotes, conversational/coaching writing style and realistic and doable transition strategies, Caught Between a Dream and a Job will help you discover and manifest all that is possible for you as you learn how to:

- Define true success for yourself and design your life on your terms
- Systematically move from job living to dream living
- Comeback from any career setback, and build a great life after a layoff
- Frame your work around your life - instead of the other way around
- View and pursue your work not as a job, nor a career, but ultimately as a dream and calling

Become the person that you have always wanted to be by connecting your purpose to your profession and taking the entrepreneurial leap of faith
